2. Any individual who bowls in an unsanctioned league or tournament is ineligible to participate in any events of this association. Team captains are held responsible for the eligibility of their men.

Teams allowing an unsanctioned bowler to take part in their league games forfeit all games that this bowler takes part in.

3. All games will be called promptly at the specified time agreed upon by the league. Should either team fail to be ready to proceed within fifteen minutes thereafter because of the absence of any of its members, the team present, with its full quota of players, shall proceed. If the other team refuses to play with members who are present, games will be forfeited and in the case of forfeiture the team not bowling is liable to the league to the extent of the same amount it would cast them to bowl in league play. At no time shall any team take unfair advantage of the other team which is unable to appear due to unavoidable circumstances.

4. All games must be bowled as scheduled unless the respective captains notify the secretary of the league, also the alley proprietor at least 24 hours prior to the date and hour scheduled.
